Memorandum

TO : Chief, GSD

DATE: 13 November 1964

FROM : DAD/S&D

SUBJECT: GSD-129-64

From our conferences yesterday, with Mr. Miller, I expect a little fast geometry, troposcattered forward, facts of life here. Your ball.

I wouldn't be unhappy if our particular case was worked out in the form given on pages 758, 759, 760, 761 in the 4th Edition of Reference Data for Radio Engineers, IT&T.
